Focus group questions (general)

- What tools would you want to maintain a safe environment?
 - Children playing, harassment from others, uncomfortable environments etc.
- Is finding players/groups this way appealing to you? Why/why not?
- How much time are you willing to spend finding a group?
- What knowledge would you like to have before looking for a group?
- Are there any clear limitations you would want?
- What preferences do you think are important?

Player Focus Group

- How much information of yours are you willing to share?
- What are the most important things for you when finding a group?
- Are you using other methods for finding a group? If so, what are your experiences like with them?

GM Focus Group

- What do you want to see/know of your candidate players?
 - Both in regards to the player themselves and the character they might play.
- How much preparation time do you spend before looking for a group?
- How do you usually handle scheduling in your group?
